**RESPONSE TO ELECTION OF SPECIES REQUIREMENT**

Dear Sir:

In response to the Office Communications of April 18, 2007, and June 1, 2007, and to the Requirement for Species Election set forth in the Office Action mailed January 12, 2007 (Paper No. 20070107), Applicants hereby provisionally elect species 2 (FIGs. 6-8), claims 1-28 for continued examination with traverse.

Applicants maintain that the Examiner's requirement for election of species is improper for the reasons given in Applicants' Response to Election of Species Requirement filed February 5, 2007, and respectfully request that the requirement for election of species be withdrawn. In a telephonic interview conducted on or about April 18, 2007, and summarized in the Examiner's Office Communication of June 1, 2007, the Examiner acknowledged that the Applicants' February 5, 2007 response traversing the requirement for election was a complete response to the January 12, 2007 Office Action. In particular, the Examiner acknowledged that the Applicants' response included a provisional election of species and indicated that an Office Action on the merits of claims 1-28 (all of the currently pending claims) would be forthcoming. The telephonic interview did not include a discussion of the merits of Applicants' traversal of the requirement for election of species.

An action on the merits of all the claims and a Notice of Allowance thereof are respectfully requested.
